---

## Interests

- Watching Football, Tennis and Cricket.
- Learning new things, quizzing.
- Designing Logos.

---

## Why do I want to work for you?

- The scope of learning
- Chance to work with inquisitive and talented people

---

## Why should you hire me?

- My passion and creativity for innovation sets me aside from others. Like learning latex to create this CV.
- I am not the exceptional Django developer or Javascript magician. Neither am I the CentOS sys admin. On the contrary I bring to your table a few good bit of everything. I bring to you versatility.
- Listening. I believe it to be a great tool for teamwork as to understand your team you have to *listen*.
